SERVING ACROSS
THE UAE

NAJM AL AROOSH
TECHNICAL SERVICES L.L.C

One team. Multiple trades.

Coordinated technical and interior services for commercial and residential properties across the UAE.

WHO WE ARE

Najm Al Aroosh Technical Services L.L.C is a UAE-based company delivering integrated technical and interior solutions for commercial and residential properties. We combine skilled people, proven processes and a commitment to quality to create better, safer and more functional spaces for our clients across the UAE.

OUR CORE SERVICE PILLARS

ACOUSTIC SOLUTIONS

Acoustic design, supply and installation to create quieter, more comfortable and productive spaces.

INTERIOR FIT-OUT

End-to-end interior fit-out solutions that bring your vision to life with functional, stylish and sustainable interiors.

TECHNICAL WORKS

Mechanical, electrical and plumbing (MEP) works delivered to the highest standards of safety, quality and efficiency.

REPAIR & MAINTENANCE

Reliable repair and maintenance services to keep your spaces running smoothly and performing better for longer.

WHERE WE WORK

Offices | Retail & Commercial | Villas & Apartments | Service Areas across the UAE

Acoustic Solutions

Acoustic treatments that support clearer speech, sound control and carefully finished interiors.

SPECIALIZED WORKS

01 **Home theatre**

Dedicated acoustic finishes for media and cinema rooms.

02 **Stretch-fabric acoustic wall track systems**

Acoustical wall track and fabric-finished wall treatments.

03 **Acoustic doors**

Door assemblies and details for improved acoustic separation.

04 **Acoustic baffles**

Suspended baffles and ceiling treatments for sound control.

Acoustic visuals shown for service illustration.

Interior Fit-Out & Finishes

Functional spaces, finished to detail – from partitions and ceilings to flooring, doors, glazing and joinery.

CEILINGS & LIGHTING

GLASS & PARTITIONS

INTERIOR CAPABILITIES

01 **Ceilings & gypsum**
False ceilings, bulkheads, partitions, access panels.

02 **Painting & wall finishes**
Surface preparation, paint and decorative finishes.

03 **Glass & doors**
Office partitions, door installation and hardware.

04 **Flooring & raised access**
Tile, vinyl, wood-look and access-floor works.

05 **Joinery & furniture**
Cabinets, counters, shelving and fitted units.

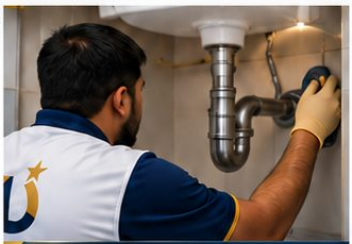

06 **Decorative wall features**
Wall panels, cladding, timber slats and trims.

New installations • Refurbishment • Finishing & rectification

A closer look at our key services and the process we follow to deliver outstanding results.

01 | CEILING & LIGHTING

02 | GLASS PARTITIONS

03 | WATERPROOFING

04 | TECHNICAL MEP

OUR APPROACH

FROM SITE REVIEW TO HANDOVER

A practical, coordinated process built around site conditions, scope clarity and finishing quality.

01

SITE REVIEW

Review the space, identify conditions, access needs and the required end result.

02

SCOPE & MATERIALS

Confirm activities, material requirements, sequence, interfaces and expectations.

03

EXECUTION

Coordinate trades, protect existing areas, install, repair and complete finishes.

04

INSPECTION & HANDOVER

Carry out checks, address snags where required and close out the works.
